

1, 1998 through May 31, 1999 antidumping duty administrative review of tapered roller bearings and parts thereof, finished and unfinished, from Hungary.

EFFECTIVE DATE: June 5, 2000.

FOR FURTHER INFORMATION CONTACT: Elfi Blum at (202) 482-0197, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Ave, NW, Washington, DC 20230.

The Applicable Statute and Regulations

Unless otherwise stated, all citations to the statute are references to the provisions effective January 1, 1995, the effective date of the amendments made to the Tariff Act of 1930 (the Act) by the Uruguay Round Agreements Act. In addition, unless otherwise indicated, all citations to the Department's regulations are to 19 CFR part 351 (1998).

Scope of the Review

This antidumping review covers tapered roller bearings and parts thereof, finished and unfinished (TRBs), from the Republic of Hungary. The merchandise under review is currently classified under subheadings 8482.20.00, 8482.91.00, 8482.99.15, 8482.99.45, 8483.20.40, 8483.20.80, 8483.30.80, 8483.90.20, 8483.90.30, and 8483.90.80 of the Harmonized Tariff Schedule of the United States (HTSUS). Although the HTSUS subheading is provided for convenience and customs purposes, the written description of the scope of this review is dispositive.

Rescission of 1998-99 Antidumping Duty Administrative Review

On July 29, 1999, in response to a request by Daewoo-MGM Rt., the Department published a Notice of Initiation of Antidumping and Countervailing Administrative Reviews (64 FR 41075). Daewoo-MGM Rt. was the only party which requested a review. On March 20, 2000, Daewoo-MGM Rt. withdrew its request for review. We are therefore rescinding this review in its entirety in accordance with 19 U.S.C. 1675(a)(1) of the Act and § 351.213(d)(1) of our regulations.

The rescission of this review does not affect the reclassification of the Republic of Hungary to market economy status for antidumping purposes (see Decision Memorandum from Joseph A. Spetrini to Robert S. LaRussa on *Market vs. Non-Market Economy Analysis of the Republic of Hungary*, dated February 23, 2000). This notice is published in accordance with 19 U.S.C. 1677(f) and § 351.213(d)(4) of our regulations.

Dated: May 26, 2000.

Troy H. Cribb,

Acting Assistant Secretary for Import Administration.

National Oceanic and Atmospheric Administration

Coastal Zone Management: Federal Consistency Appeal by Mobil Oil Exploration and Producing Southeast, Inc.; Consistency Appeal of Objections by the State of North Carolina

AGENCY: National Oceanic and Atmospheric Administration.

ACTION: Notice of decision.

On September 2, 1994, the Secretary of Commerce (Secretary) declined to override two objections by the State of North Carolina to the proposed drilling discharges (PDD) and overall Plan of Exploration (POE) by Mobil Oil Exploration & Producing Southeast, Inc. (Mobil) at a site about 38 miles offshore North Carolina. The Secretary made these decisions pursuant to section 307(c)(3) of the Coastal Zone Management Act (CZMA). Mobil challenged the Secretary's decisions in U.S. District Court for the District of Columbia claiming they were made in violation of the Administrative Procedure Act. On March 11, 1996, the court ordered a stay of the litigation and remanded the matter to the Secretary for a determination whether the administrative record should be reopened to receive two recently produced studies, one on the impacts of Mobil's proposed actions on benthic resources and one on their impacts on socio-economic resources. *Mobil, et al. v. Brown, et al.*, 920 F. Supp. 1 (D.D.C. 1996).

The Secretary's decision was held in abeyance pending settlement discussions and the outcome of related litigation.

On December 8, 1999, the Secretary issued a decision declining to reopen the record to admit the two studies at issue in *Mobil v. Brown*, for two reasons. First, both this Department and parties to appeals under the CZMA have an interest in the finality of Secretarial decisions and the administrative process. Once the administrative record is closed, a decision should be made, and new materials should not be submitted or considered without a showing of good cause. No good cause was shown in this case. Second, the two studies do not address all of the

information gaps identified by the Secretary's 1994 decisions. The Secretary's decision has been submitted to the District Court in response to the court's order in *Mobil v. Brown*. Copies of the decision may be obtained from:

Karl Gleaves, Assistant General Counsel for Ocean Services, National Oceanic and Atmospheric Administration (NOAA), U.S. Department of Commerce, 1305 East-West Highway, Room 6111, Silver Spring, MD 20910, (301) 713-2967.

(Federal Domestic Assistance Catalog No. 11.419 Coastal Zone Management Program Assistance)

Dated: May 26, 2000.

James A. Dorskind,

General Counsel.
